CHAMPAGNE OF THE MONTH

Founded in 1760, Maison Lanson is one of the oldest Champagne Houses. They are proud to have maintained their family traditions and independent organisation, and to have remained faithful to the values that have guided the maison for over 260 years.

The unique and authentic style of our Champagnes rests on their blends benefiting from a wide range of crus, and a rare collection of reserve wines, developed with prolonged ageing. They also vinify their vintages according to the original principles of Champagne, with minimal malolactic fermentation. Lanson wines are characterised by their elegance, freshness, vitality and ability to stand the test of time.
