CHAMPAGNE OF THE MONTH

Since its foundation in 1743, Moët & Chandon has been passing down the unequalled winemaking savoir-faire and an innovative and pioneering spirit from generation to generation.

The founder Claude Moët was the first person to embody these values when he made his Champagne the most sought-after in Europe. With his grandson, Jean Remy Moët, a pioneering and visionary mind, Moët & Chandon became a major international champagne brand and has transformed the family House into a worldwide symbol of success.
