## CHAMPAGNE OF THE MONTH

Established in the heart of the Côte des Bar since 1808, the Drappier family, now run by Michel and his children Charline, Hugo and Antoine, cultivates authenticity and naturalness in the service of a great champagne wine. The house's unique style, characterised by elegance and purity, is based on practices such as no filtration and minimal use of sulphur and dosage liqueur. Certified organic, the Drappier vineyard produces grapes with rich aromas, balanced by a beautiful minerality, with a predominance of Pinot Noir.

With a deep respect for the environment and the specific characteristics of each grape variety, Drappier create precise and sincere blends.
